

J.K.H. May 2012 Newsletter

Featured Grade—Fourth Grade

QCISD

4th grade is buzzing with excitement. This month students are scheduled to visit their future campus at Morris Upchurch Middle School, visit the Crater of Diamonds State Park, and have their own book published.

While at Crater of Diamonds, students will be on a wonderful adventure to the Crater of Diamonds State Park. Students will have the opportunity to explore atop an eroded volcanic pipe in search of diamonds and

other precious gems. This field trip was made available by the anonymous donations of one of our wonderful parents, as well as BoxTop contributions. We are blessed to have such wonderful parent support here at J.K. Hileman.

In reading class, students have been working hard on earning AR points. Some students have already met their goal to go to Magic Springs. Let the fun begin!

We would like to take this opportunity to thank you for entrusting your children to our care. It has been our honor to educate them and get to know all of their colorful personalities. We know that these students have very bright futures ahead of them, and we look forward to hearing about all of their wonderful accomplishments in the years to come.

Preview to June:

- ☺ June 1st - Flex Days/ Tier II Days begin
- ☺ June 7th - Early Release
- ☺ June 8th - Early Release & Last Day of School
- ☺ June 25th-June 29th - Camp Invent

Thank you!

The last few months have surely flown by! I don't want this year to draw to a close without taking an opportunity to say thank you for all you have done. It would be impossible to name everyone who has made a contribution to our campus so I will try to sum it up into actions. For all of you who have volunteered to help in a classroom, organize class parties, organize amazing assemblies, type the newsletter, given treats to students and staff, buy clothes for students in

need, help out with carnival, speak to our classes, given words of encouragement, taken the time to work with your child on their studies, come to conferences, given a smile, sold / bought a fundraiser, made a donation to our activity fund, organized events for Staff Appreciation Week, attended an event or program hosted by J.K.H. students and staff, and supported our students and school in whatever way you could, I want to thank you. We truly do have an amaz-

ing district. It is wonderful to be part of a community of caring people who are willing to give of themselves to help our children in any way possible. I want to ask that you continue to support our children and give of yourselves whatever you can to ensure they receive the best education possible. They deserve nothing less than the best. *Carla Dupree*
